Information about Kalmar and Bonanza 2016

Free, Crazy and Exciting!

The Bonanza Day is not only a day of competition — it's a day where you can meet and have friendly fun with a lot of fellow Turfers that you have only ever seen as avatars on the Turf map.

The event area in Kalmar is a big meeting place where you can grab a bite to eat, listen to music or Turf Radio and participate in small playful competitions. You can even meet the Turf Crew and discuss new developments and updates of the Turf game. In the evening, join your fellow competitors for a yummy meal at a local restaurant Stars & Stripes.
