Information about Västervik and Bonanza 2022

Free, crazy and awesome!

This year's Bonanza, which is the twelfth in a row, will be held, in the east coast pearl, Västervik. The city is turf-friendly but also offers some hilly terrain. There are plenty of walking and cycling paths, which means that the event zones will primarily be laid along these and along paths/roads outside the city. In Västervik, there are 237 regular zones that you can take before and after the Bonanza. It will be a bit crowded, so help each other with assists! Tourist information about Västervik can be found at <https://www.vastervik.com/>

Bonanza 2022 is carried out in two heats **Heat No. 1 - Bonanza Foot - starts at 10.00**. It is a pure walking/jogging heat. The distance between the zones is shorter than normal, approx. 50-75 meters **Heat No. 2 - Bonanza Bike** - is only for cyclists or turfers who use other non-motorized vehicles on wheels*). The heat starts at **13.30**. Both heats are two hours long. Bonanza gold, silver and bronze medals as well as Bonanza participant medals will be awarded in both heats, which means that **you can only register to participate in one of the heats**. Young people under the age of 18 can register for the **youth class** where we hand out special prizes. The winner of the Bonanza Foot heat will receive a Laptop computer sponsored by DK IT - Concept in Västervik. The winner of the Bonanza Bike heat will receive a hybrid/MTB bike, Nishiki Cascade –22, sponsored by Motorsport AB in Västervik.
